Yisrael was on the verge of dropping out of his fifth yeshiva in just over eleven years. Throughout that time, nobody had the slightest suspicion that the child could not read. No wonder he found Gemara study emotionally and psychologically torturous. Every day he encountered a blatt Gemara, it seemed to shout back at him, "You are stupid!"

DO YOU KNOW someone who struggles with Torah learning? Rabbi Dovid Abenson, founder of Shaar HaTalmud, has proven that by teaching the necessary skills, in the right order, anyone can improve his *kriah* and upgrade his learning level. For over three decades, he has helped thousands of *talmidim* and *avreichim*. Many *rebbeim* and *mechanchim* have successfully integrated Rabbi Abenson's methods into the Yeshiva and day school system.

Endorsed by *Gedolim*, his successful program is now available for every Jewish home! Whether you are a student, parent, or teacher, a *baal teshuvah* or a Rosh Yeshiva, *I Can't Learn* is an invaluable resource for *chizuk*, inspiration, and practical step-by-step methods on how to make learning Chumash, Mishnah, and Gemara a source of joy and satisfaction.

Because when it comes to Torah learning, there's no such thing as "can't"!

"I consider it an honor to be associated with this exceptional work..."
