National Anthem - Star Spangled Banner

*Oh, say can you see by the dawn's early light
What so proudly we hailed at the twilight's last gleaming
Whose broad stripes and bright stars thru the perilous fight,
O'er the ramparts we watched were so gallantly streaming
And the rocket's red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
Oh, say does that star-spangled banner yet wave
O'er the land of the free and the home of the brave.*

G-d Bless America

*G-d bless America,
Land that I love.
Stand beside her, and guide her
Through the night with a light from above.
From the mountains, to the prairies,
To the oceans, white with foam
G-d bless America, My home sweet home
G-d bless America, My home sweet home.*

Please remain standing during the rendition of the above patriotic songs
