## MEMORANDUM

**TO:** Lakewood Board of Education  
School Bus Contractors

**FROM:** Patricia A. Bunnell, Transportation Coordinator  
William J. Coyle, Transportation Manager

**RE:** Brook Hill Estates

**DATE:** November 8, 2010

Please be advised, after this morning's traffic jam inside the above referenced, effective **immediately**, all contracted school busses, will traverse the roadway in the attached fashion.

Should your school bus enter Brook Hill Estates from County Line Road, you will now turn onto Lucerne Drive, and continue North to Arosa Hill, at which point you will then make a **RIGHT TURN ONLY**, then proceed north to the second entrance of Arosa Hill turning left, and still continuing west to Milano Drive, where you will make a left hand turn.

This new plan of travel will alleviate all the congestion inside this development, as all the school busses will be traveling in the same direction. This new pattern makes the roadway safer for children to access their assigned bus stops.

c: Lydia R. Silva, Superintendent  
Robert S. Finger, Business Administrator/Board Secretary  
Sgt. Frank Work, Lakewood Police Department/Traffic Safety Unit
